SCIENCE HILL HIGH SCHOOL
JOHNSON CITY, TENNESSEE

ALMA MATER

In the heart of our great city,
Reared against the sky,
Proudly stands our Alma Mater
As the years roll by.

Forward ever be our watchword,
Conquer and prevail;
Hail to thee, our Alma Mater
J. C. High, all hail.

Hail to thee, our Alma Mater,
Hail old J. C. High,
And the school we love so dearly
Shall never die.

Forward ever be our watchword,
Conquer and prevail;
Hail to thee, our Alma Mater,
Hail to thee, oh hail.

Best wishes to a most fortunate girl and one who I've always admired.
Lots of luck in the future to a girl I know will surely. See you this summer
and next year on the hill.
Eddie Payne

Cathy,

This year has been great. Having biology with you has been great. We have been friends for a long time now so let's keep it up. I wish that we were as close now as we used to be. We have really had some great times in our lives. Hope we continue to do so. You are one of the nicest, sweetest, and cutest girls I know. It has been a pleasure knowing someone like you. Never change and you'll go far in life. I wish you the best of luck in the years ahead of you because if anyone deserves it you do. Good luck always.

Love ya,
Randy
Boyd

P.S. Good luck in your many love affairs and the one now. (R.C.)

We humbly present with our best endeavor for your timeless enjoyment a diary of outstanding events, personalities, and sentiments—memories which are the grains of sand slowly trickling through our hourglass. Each particle will remind us of our high school days and for us seniors, especially that memorable senior year 1962-63. In order to preserve our sands of time, we have tried to portray the most memorable events of this school year in the 1963 edition of the WATAUGAN.

For our underclassmen, the sands have only sifted a little. Yet the grains have dwindled to a precious few for us seniors. By May the thirty-first, these remaining grains will have run their course. *Tempest fugit!*

Cathy,

See, we have had a great time this year!! Will you ever be able to forget all these times this year? I have been talking to my good friend in band (R.C.) and he says he always keeps promises (O! Boy!!)

Love
Connie

The Student Council is an organization whose prime purpose is to be a resounding board of the student body's goals and to execute the activities which the school plans as a whole. The Council consists of four officers, elected by popular vote, and a representative from each homeroom. Even though the council has always been an integral part of student life, it is constantly seeking improvements within its own structure in order to meet the growing demands of the student body. This year a committee has been organized to analyze the effectiveness of our council.

Projects sponsored by the student council this year include: Thanksgiving baskets, Veteran's Home packages, victory jackets, and the student-faculty basketball game.

The band has kept busy this year by participating in many varied activities. They started practice in August for the performances at the football games, marched in several parades, participated in band day at State University, attended the Memorial Day services at Mountain Home, took part in the half-time show at the Exchange Bowl in Kingsport, played for the pep rallies, and presented several concerts. This year for the first time the "Concert Band," a select group from the entire band, entered into competition in Knoxville.

Many thanks to Mr. Weddle and Mr. George Buda for their excellent direction of our "Hilltopper Band."

CHOIR

The choir is one of the most select organizations in the music department. Members are chosen on the basis of individual auditions before former members and the director. In addition to the regularly scheduled Christmas and Easter programs at school, the choir has been active in presenting programs for civic clubs and churches.

GIRLS' CHORUS

GLEE CLUB

The Glee Club is open to anyone who desires to join. Many Glee Club members find their way into the smaller groups sponsored by the Music Department. The group has participated in the Christmas program, preaching mission choir, and spring concert.

FOOTBALL

Won 7—Lost 4

Science Hill had a banner year in football this past season. The team ranked ninth in the State, the highest ever for a Science Hill football team. The Toppers earned second place in the Big Seven Conference, and ended the season by defeating Church Hill 28-21 in the "Exchange Bowl" at Kingsport. The Toppers opened the season by defeating Jonesboro 25-0, then losing to the eventual number one team in the state, Chattanooga Central, 14-0. Morristown then defeated us 7-3 in a hard fought game. Bouncing back, the Toppers won over highly ranked Knoxville Central 14-0, behind the passing of Steve Spurrier and the receiving of Jimmy Sanders. The following week we lost to Bristol 20-19. Journeying to Oak Ridge the Toppers were defeated in the last second of the game. Again the score was 20-19. The Toppers then won over Elizabethton 14-6, Greenville 20-0, Erwin 33-12, Kingsport 27-7, and Churchill 28-21. These games were highlighted by the kicking, passing and running of Steve Spurrier and the pass receiving of Sanders, Pelfrey, McCullough, Hughes, and Thomas. These boys were strongly supported by the play of Ken Altman, Sam Deen, Roy Payne, Butch Brown, Bob Yeiser, Lewis Cantrell, Ken Lyon, Cotty Jones, Bud Oxendine, Tommy Hager, Bob Danford, and Jerry Potter. In the Bristol game Jimmy Sanders broke the conference record of passes caught in one game by catching eleven. That accomplishment is also a school record. Jimmy also set a school record by catching 48 passes during the season and by catching 10 touchdown passes, earning himself the distinction of being the best receiver in our school's history. During the season Steve Spurrier developed into the greatest quarterback Science Hill has ever had. Aside from his playing ability, his leadership, devotion to duty, poise and sportsmanship stamped him as an outstanding young man. During the season Steve threw 16 touchdown passes. His total yardage gained as a result of his passing and running was 2,149 yards. He averaged nearly 200 yards per game. He was the first player at Science Hill to throw 4 touchdown passes in one game, that being against Churchill. He is also the first Science Hill football player to make two high school All-American selections. His honors however were highly complimented by the hard work and sacrifice of the entire squad, especially the graduating seniors, Sam Deen, Ron Pelfrey, Cotty Jones, Ken Lyon, Roy Payne, Jerry Potter, Jim Sanders, Mike McCre, Bud Oxendine, and Tom Hager. Spurrier is also a senior. Honors gained by individual Toppers were as follows:

Sam Deen: All Big Seven Conference, Upper E. T. Sports Writers All Conference Selection.

Ron Pelfrey: All Big Seven Conference, Upper E. T. Sports Writers All Conference Selection.

Cotty Jones: All Big Seven Conference, Upper E. T. Sports Writers All Conference Selection.

Bob McCullough: 2nd team All Big Seven, Upper E. T. Sports Writers All Conference Selection.

Roy Payne: 2nd team U. P. I. All State—Upper E. T. Sports Writers All Conference Selection.

Jim Sanders: All Big Seven Conference, Caught 11 passes in one game for school and conference record, caught 48 passes during season for school record. Caught 10 touchdown passes for school record. Special award by Johnson Jaycees for pass receiving.

Steve Spurrier: All Big Seven Conference, All Big Seven Conference by Upper E. T. Sports Writers, All East Tennessee, Knoxville Journal, Most Valuable Athlete in E. T. by Knoxville Journal, All East Tennessee by *Knoxville Sentinel*, All State—United Press, All State—Associated Press, Number 1 High School player in Tennessee, All Southern 1st team, All American—Scholastic Coach Magazine, All American—Coach and Athlete Magazine, Jaycee Player of the Year Award, Most Outstanding Athlete Award by Science Hill Coaches, Farmer Memorial Award, First Athlete in the history of the school to have his football jersey (No. 11) retired and placed in Trophy Case.

The entire school and team are deeply grateful to the work and fine assistance of Coach Tipton, Evans, Hale, and Cot Presnell. Managers for our excellent team were John Hall, Fred Bailey, Skip Lewis, and Glenn DeBord.

VARSITY BASKETBALL TEAM

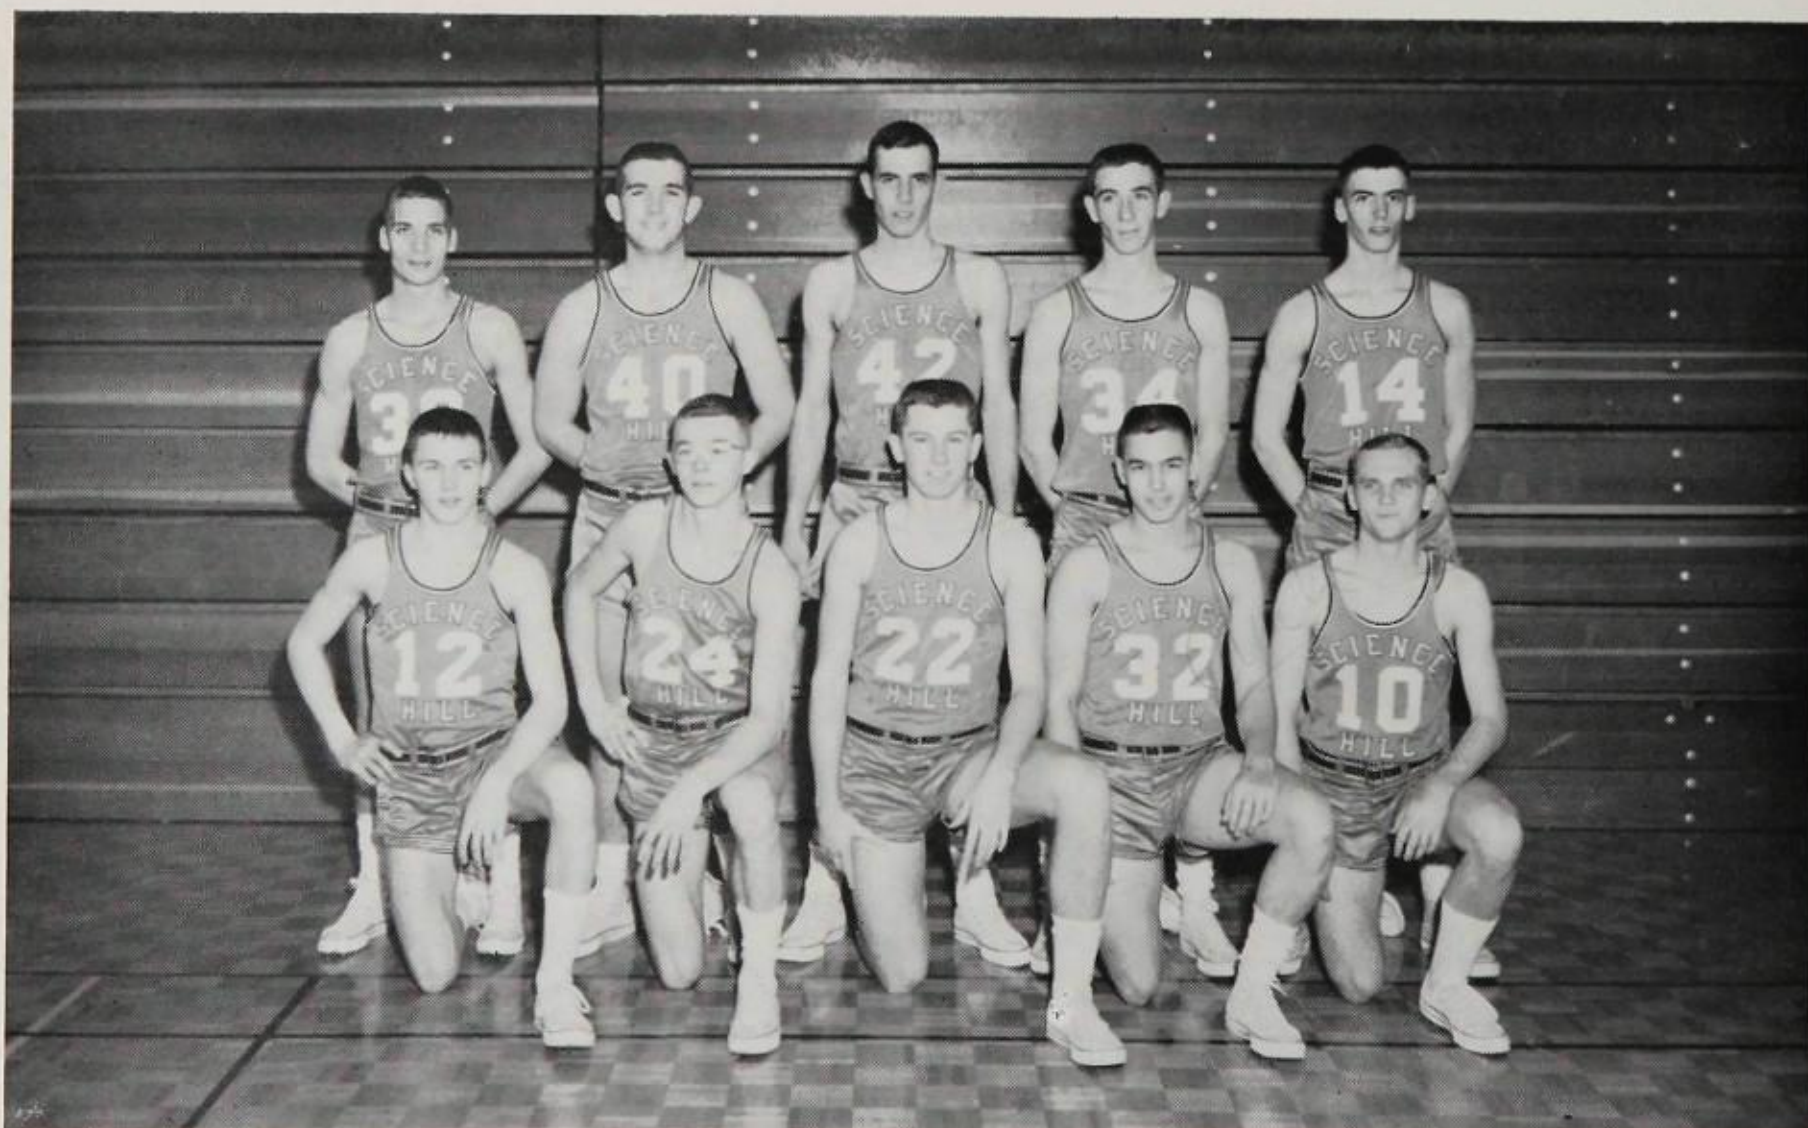

COACH ELVIN LITTLE

Coach Elvin Little and his 1962-63 Science Hill Basketball Team won twenty-five games and lost nine. Science Hill won the Big Seven Conference Championship for the first time since 1954 with ten wins and two defeats. Science Hill placed fourth in J. C. Invitational Tournament. For the second year in a row Science Hill won the District Two Championship and retired the Press Chronicle Trophy. The Toppers defeated Fall Branch, Erwin, and Training School for the Championship. In the Regional Tournament the Toppers defeated Hampton, Rush Strong, and lost to Kingsport by a score of 32-30 in the Semi-Finals.

Steve Spurrier, who led the team in scoring, averaged twenty points per game. George Lowe followed with a fourteen point average. Bill Wilson led the team in rebounding with Tom Hager and Choo Tipton standouts on defense.

Steve Spurrier, Bill Wilson, and Tom Hager made the District Two All Tournament Team. Steve made the J. C. Invitational Tournament Team, the Regional All Tournament Team, the *News Sentinel* All East Tennessee Team, the Big Seven Conference Team, the A. P. All-State Team, and the Sports Writers All-State Team.

The school received the Big Seven Sportsmanship Trophy for 1962-63.

The 1962 track season was played with bad weather. One outstanding meet was with Bristol and Erwin. They scored $72\frac{2}{3}$ points and 13 respectively, with Science Hill scoring $78\frac{1}{3}$ points. Science Hill was third in the Big Seven Track Meet with three first places. Roy Payne won the shot put; Kyle Morell won the high hurdles; and our mile relay team won. The Toppers were also third in the District I Track Meet with one first place—the high hurdles by Kyle Morell.

The Cross-Country Team had a highly successful season this year. They scored victories over Hampton, Elizabethton, Holston Valley, and beat Kingsport twice. The team also won the Big Seven Cross-Country Meet and placed second in the Appalachian Invitational.

BASEBALL

During the regular season the Hilltoppers record was twelve wins against two defeats. Bristol, Elizabethton, Erwin, Greenville, Morristown, and Unaka each fell as victims twice. As the season closed, Johnson City and Kingsport shared honors as Co-Champions of the Big Seven Conference.

The Toppers played five games in the District Tournament. They defeated Lamar, Happy Valley, and Greenville by relatively large scores. In two hard fought battles, the Toppers eliminated Training School by the scores of 3-0 and 6-3. These victories copped the District title and placed the Hilltoppers in the Regional at Knoxville.

Knox Fulton's Luethe and Lonnie Lowe dueled for two innings, but the Hilltopper batters shelled Fulton's ace out in the third inning and went on to win 11 to 4. Kingsport battled fiercely to stay in competition in the second game. With the score tied in the final inning, Steve Spurrier lashed a double down the right field line and scored Tony Bowman, and the Toppers qualified for the State Tournament.

For the third straight year, the Hilltoppers went to the State Tournament in Nashville. In the first game Lonnie Lowe held Charlotte to three bingles while his mates were hammering out a 13-2 triumph. The Toppers advanced to the finals by defeating Memphis Messick 4-1 because of the nifty pitching of Spurrier and some fine defensive infield play. Memphis Messick was again the opponent. In the first inning Steve Spurrier singled home Tom Hager for the only run of the game. Lowe curved the Memphis lads down with only two hits. Memphis' Sayle tripled in the seventh, but was cut down at the plate when Joe Cowell relayed Al Ferguson's throw home in time for Choo Tipton to nail the runner and nip the Memphis threat. Thus the Hilltoppers became the 1962 **TENNESSEE STATE CHAMPIONS!**

HOMECOMING FOR S.H.H.S. STATE CHAMPIONS

Tony Bowman shows Mayor May Ross McDowell the trophy won during Nashville games. Others shown from left to right are Superintendent C. Howard McCorkle; Coach John Broyles; Al Ferguson, outfielder; and John Gillikin, president of the Hilltopper Sports Club.

These happy boys are the 1963 seniors who were, in a great measure, responsible for bringing to Science Hill the baseball trophies as shown above. On the table from right to left are these trophies: the first, representing the co-champions of the Big Seven Conference; the second, symbolizing the championship of District III played at Johnson City; the third, representing the champions of the Upper East Tennessee region; the fourth and last, illustrating the State Championship won at Nashville.

INTRAMURALS

Intramurals is the sports program for girls in which they compete against each other in different sports. The main purpose of the program is the pure enjoyment of competitive and non-competitive activities. Any girl at Science Hill may participate in the Intramural program providing she is in the physical education program and providing she attends all the meetings of a sport, unless there is a valid excuse.

In order to receive a letter, each girl must have 500 points, two years of participation, and two proficiencies. A proficiency is given to the winner and runner-up in individual sports and to the winning team in team sports. A girl may letter in her junior or senior year. Points are gained by participating in a sport, being captain or co-captain of such, winning a proficiency, being manager, head, or an official of a sport, or being responsible for a non-competitive activity. A non-competitive sport is any social activity outside the intramural program.

Senior girls who lettered in their junior year may add a stripe to their letter by obtaining 300 more points and one additional proficiency.

Sports this year have included archery, swimming, bowling, basketball, rifle-firing, ping-pong, tennis, and volleyball. Girls engaging in this healthful sports program gain skill and physical fitness while enjoying themselves.

Believe it or not ~~not~~ we had some good times. I believe I know what caused the trouble, but I ain't gonna tell ya' ~~at~~ right now. I probably will later so you'll have to wait. Have fun this summer. I'll write you from the USNA and I expect return mail. If you don't want to write tell me before I leave. I wish the best (very best) for you.
